

# Get involved in Purple Day®

Purple Day® is Epilepsy Ireland's biggest annual fundraising day. Our wonderful supporters all around the country wear purple and host purple-themed events to raise vital funds for our work. Can YOU help by organising your own Purple Day® fundraiser?

## You can help by...

- Having a purple themed run, walk, swim or cycle
- Organising a Purple Day® match between your local teams
- Organising a purple table quiz
- Having a purple themed bake sale
- Having a purple themed coffee morning
- Arranging a purple shave or dye
- Organising a purple gala or fashion show
- Having a Purple Day® party at your school or place of work
- Having a purple themed busking session or a mini street concert
- Selling our purple wristbands in your local business
- Pitching us YOUR idea!

## What next?

Email [fundraising@epilepsy.ie](mailto:fundraising@epilepsy.ie) to give us a short description of your idea. We'll send you a fundraising pack to get you up & running!
