

Can your school support Purple Day®?

Purple Day® is Epilepsy Ireland's biggest annual fundraising day. Our wonderful supporters all around the country wear purple and host purple-themed events to raise vital funds for our work. Purple Day falls on a Saturday this year, so why not get involved in the week commencing 21st of March!

How can our School help?

- Have a Purple art competition!
- Have a Purple bake sale!
- Invite parents to the school for a purple themed coffee morning!
- Light up your school purple!
- Have a purple knitting challenge!
