

# FAMILY FUN DAY - DUBLIN ZOO - JULY 11TH

The Family Fun Day to Dublin Zoo was a great success with a record turnout of 135 people attending.

The zoo volunteers helped with maps, information and guided tours for our group. They brought so much to the enjoyment of the day and a big thank you to the entire education department at Dublin Zoo for arranging this for our members. A lovely lunch was enjoyed by all in the Meercat Restaurant.

We mustn't forget the birthday celebration for Lorcan Walsh who very kindly shared his yummy cake.

Funding for the event was made possible by the generous donation of the late Caroline Dollard, who had epilepsy herself, and her husband Adrian Dunne who raised funds for Epilepsy Ireland after her passing. Caroline, who loved life, wanted the money she raised to be used to provide an opportunity for families to come together in a fun environment. Adrian attended on the day with his niece and nephew and said he was delighted to see Caroline's dream come true and see families enjoying their day, it meant a lot to him, hopefully we can continue to make this happen in the future.
